

PECO/FACE 2017-2018 IMPORTANT DATES

Please be mindful the studio does not follow the same closings as the schools as we have students from multiple districts. We need to have an equal amount of Mondays thru Saturdays therefore we are not able to be closed for all of the school closings.

Please follow these dates and mark them on your calendars!

These dates are subject to change as needed...Please be mindful not to schedule vacations the week before Competitions as it is mandatory for students to be in classes during competition season.
