

FAPA Fundraising Committee 2017-2018

What is it? The goal of the Fundraising Committee is to raise money to offset the costs of Nationals. The committee also makes a charitable contribution with a portion of the money we raise (previously we have donated to the Red Nose Society and Breast Cancer Research and our donations were matched by Heather).

Who can participate? Any PECO/FACE family who will be attending Nationals in July 2018. Participation is completely optional.

When do we get our money? Fundraising money is distributed before Nationals, but after competition fees, hotel reservations, etc. are made. It's your money-use it however it can help: put it towards your auto-debit account, pay cash for your accommodations, use it for spending money at Nationals...

How is the money divided? Money is divided based upon how few or how many fundraisers each family chooses to participate in. *A minimum of 3 fundraisers required for all fundraising families. Money is based upon how many fundraisers your family does, **NOT** how many children you have in PECO/FACE.

What types of fundraisers are offered? Some fundraisers only require your time and some require a purchase (most purchases come with a chance to win \$).

Some Past Fundraisers

- Clothing Drive
- Canning
- Babysitting Night at FAPA
- 3 Month Lottery Calendar
- Super Bowl Pool
- March Madness Pool
- Thanksgiving Pie Sale

Other Ways We Raise Funds

- Concessions Stand during Recital Weekend
- Percentage of 50/50 Raffles at Recital

*We encourage different members to organize the fundraisers and we are open to any new ideas.

Please note: The front desk and Miss Helenea are very busy with the daily running of FAPA. The front desk, Miss Helenea, Miss Heather, and the teachers are not directly involved with the fundraising committee and should not be asked about any fundraising questions or issues.
