Groups are only 2 or 3 days and if you choose to do your solo/Duo if you have one you would need to be there more days. ***Changes to hotel stay can be done once final schedule is out.*

There are other events for all students as well please see Scholarship Audition PDF attached for that info. Dancers have the opportunity to win scholarships and there is also a commercial/photo shoot for their dancewear line *Move Society*.

For Airfare: Check Frontier which flies out of Trenton, Spirit which flies out of AC and Philadelphia and Southwest which flies out of EWR and PHL for inexpensive flights. Some are not booking July yet but Probably in another month they will be. You can always get good rates to Orlando! Just remember to get the travel protection in case for some reason things change! Or if you would rather not fly...driving to Florida is definitely doable! We have driven thru the night every other Christmas break or Spring break for the past 10 years. (my in laws live in Florida) Its roughly 17 hours, we leave after dinner and drive thru the night and stop for Breakfast in Georgia and then finish the drive usually by noon the next day 😊 if you would rather not fly and save some \$ that way you just need a stash of caffeine and a few stops to fill the gas tank and your good to go! Lol
